SUMMARY

I am a tech talent with a background in Computer Engineering and over 4 years of progressive experience in diverse industries, including Finance, Social Commerce, Agriculture, and FMCG. I have earned a reputation as a talented product designer known for transforming abstract product visions into compelling visuals.

Tech stack includes Adobe [Photoshop, Illustrator, After Effects, Premiere Pro] and Figma.

EXPERIENCE

GRAPHICS & PRODUCT DESIGNER

MSM DIGITAL, NEW YORK, UNITED STATES (2022 - 2024)

Designed responsive and visually appealing websites and web applications, ensuring seamless user experiences across multiple devices and browsers. Collaborate effectively with cross-functional teams, including designers, developers, and project managers, to deliver successful projects within deadlines.

PRODUCT DESIGNER

BUSINESS PROCESS TECHNOLOGIES, LAGOS, NIGERIA (2020-2022)

Led the design and development of innovative products from concept to delivery, applying interactive design methodologies. Also collaborated closely with cross-functional teams, including product managers, engineers, and stakeholders, to ensure alignment and successful project delivery

GRAPHICS & MOTION DESIGNER

THYNKTANK, UNITED STATES (2022)

Collaborated with other designers to produce stunning and engaging motion graphics for clients in industries like marketing, food, and beauty.
